The East Central Regional Planning Committee cordially invites you to attend our in-person Regional Event on October 20-22, 2022 in Indianapolis, Indiana. We have been convening virtually (since December 2021) to plan these special days of seeing familiar faces, meeting new CWU members, worshipping together, having various learning opportunities, tasting someone else’s preparations of food, and gathering ecumenically as the East Central Region of Church Women United.

Please review the pertinent attachments regarding our 3-day event in October that is being planned especially for us when autumn will be displaying its beauty.

Hoping that you will be able to join us on October 20-22, 2022 in Indianapolis. The photo in the flyer is actually a view of our host city. We look forward to being amongst our sisters in Christ then from the five East Central states and beyond. Our national president, Mira Washington--New York, is planning to join us too.

If you have any questions, please contact either one of us or your state president.
